Experience

Freelance Designer — Remote
Branding and UI/UX Designer — October 2025 - Present

- Growth-Focused Strategy: Lead brand identity development and UI/UX design for a diverse US and Argentina portfolio, focusing on creating digital platforms (web/app) that optimize the buyer journey and increase conversion rates.
- Performance Design: Develop scalable design systems and high-converting landing pages tailored for E-commerce, ensuring a seamless transition from social media ads to final purchase.

B-WAY — Buenos Aires, Argentina
Brand Manager — August 2024 - December 2025

- Strategic Team Leadership: Directing a 6-person interdisciplinary marketing team to execute 360° campaigns, ensuring full alignment between creative output and commercial business goals.
- AI-Driven Data Analysis: Implementing advanced workflows using AI to analyze campaign metrics and consumer feedback, reducing production lead times by 30% while improving targeting precision.
- International Market Growth: Managing digital platforms and e-commerce strategies for the U.S., Brazil and Argentina, adapting brand messaging to diverse consumer behaviors to maximize ROAS.
- Event & Trade Show Marketing: Orchestrated large-scale international events (B-WAY Experience and Barber Week), managing lead generation strategies and brand presence.

B-WAY — Buenos Aires, Argentina
Product designer — November 2023 - August 2024

- Conversion Rate Optimization: Developed high-impact social media assets and e-commerce visuals based on consumers, resulting in measurable increases in Click-Through Rates and engagement.
- E-commerce Visual Strategy: Managed and updated visual content across digital storefronts, ensuring a frictionless UX that directly supported product conversion and brand trust.
- Trade Show Execution: Conceptualized and designed physical exhibition stands for international fairs, optimizing visitor flow and lead capture efficiency.

Freelance Designer — Remote
Graphic designer — 2022 - 2023

- Visual Identity & Growth: Developed comprehensive brand identities and UI/UX solutions for diverse clients, focusing on scalable design systems that support long term marketing efforts.
- Content Strategy: Created strategic social media and editorial content for various industries, focusing on maintaining brand voice and audience retention.
